March 20, 2026

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Burlingame Gardens and Neighborhood Water Main Replacement project in fiscal year 2027. The entity to receive funding for this project is the City of Burlingame, located at 501 Primrose Road, Burlingame, CA 94010.

The funding would be used to replace deteriorated, century-old cast-iron water mains in the Burlingame Gardens neighborhood to reduce leaks and service interruptions. The project is an appropriate use of taxpayer funds because it will improve water system reliability. The city will install approximately 5,300 linear feet of new 6-inch ductile iron pipe and replace/install approximately 120 water service lines (1-inch and 2-inch).

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin
Member of Congress (CA-15)
