The Honorable Tom Cole
Chair

U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Caltrain Safety Enhancements project in fiscal year 2027. The entity to receive funding for this project is the Peninsula Corridor Joint Powers Board (Caltrain), located at 1250 San Carlos Ave, San Carlos, CA 94070.

The funding would be used to improve the safety at up to three at-grade crossings along Caltrain in location areas of San Bruno, Burlingame, San Mateo and/or Redwood City. The project is an appropriate use of taxpayer funds because it will make rail crossings safer. Depending on the crossing, enhanced safety will be achieved with solar lane markers, delineators, new and updated pavement markings, intrusion detection and monitoring, lighting, fencing, medians installation and roadway channelization, gates and gates warning signals, and other improvements deemed necessary to improve safety, security, mobility, and operations reliability. This project would deliver immediate benefits for rail service and local communities by improving safety for all users, including vehicles, bicyclists, pedestrians, and Caltrain passengers.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin
Member of Congress (CA-15)
