March 27, 2026

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the El Camino Real Bicycle and Pedestrian Improvement project in fiscal year 2027. The entity to receive funding for this project is the Town of Colma, located at 1198 El Camino Real, Colma, CA 94014.

The funding would be used to construct green infrastructure along El Camino Real to provide stormwater treatment and manage runoff into the Town's drainage system. This project is an appropriate use of taxpayer funds because it will provide essential stormwater treatment and detention, managing runoff into the town's drainage system. These features enhance urban greening and improve community health while providing a functional and aesthetic buffer between multi-modal transport lanes.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. § 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin
Member of Congress (CA-15)
