The Honorable Tom Cole  
Chair  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Shell Bridge Sanitary Sewer Force Main Rehabilitation project in fiscal year 2027. The entity to receive funding for this project is the City of Foster City, located at 610 Foster City Blvd., Foster City, CA 94404.

The funding would be used to rehabilitate or replace the 16-inch force main on Shell Bridge, an aging 1960s pipeline that conveys more than 500,000 gallons of wastewater each day (about one-fifth of the District's flow) to the San Mateo Wastewater Treatment Plant. The project is an appropriate use of taxpayer funds because it would reduce the risk of a force main failure that could interrupt wastewater service, cause sewage spills, and require costly emergency repairs.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin  
Member of Congress (CA-15)
