The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the San Bruno Senior Center Improvements project in fiscal year 2027. The entity to receive funding for this project is the City of San Bruno, located at 567 El Camino Real, San Bruno, CA 94066.

The funding would be used to implement interior modernizations of the San Bruno Senior Center to address aging infrastructure, improve accessibility, and enhance the functionality of the facility. The project is an appropriate use of taxpayer funds because it improves and modernizes a public space to ensure the facility is better able to serve seniors in the community. Updates to make the building ADA compliant will also ensure the Center is accessible to all community members.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. § 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin
Member of Congress (CA-15)
