The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the North Base Bus Causeway Mitigation project in fiscal year 2027. The entity to receive funding for this project is the San Mateo County Transit District (SamTrans), located at 1250 San Carlos Ave, San Carlos, CA 94070.

The funding would be used to elevate approximately 480 feet of the existing bus roadway along the causeway to better align with the surrounding ground elevations and improve long-term roadway performance. There is only one road to access the SamTrans North Base Maintenance and Operations Facility (North Base), and this project will ensure the access roadway remains compatible with surrounding site conditions. This project is an appropriate use of taxpayer funds because it will strengthen access to and from North Base, support reliable bus operations, and improve the durability of this critical piece of transportation infrastructure.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin
Member of Congress (CA-15)
