The Honorable Tom Cole  
Chair  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the Middlefield Road Improvement project in fiscal year 2027. The entity to receive funding for this project is the County of San Mateo, located at 555 County Center, Redwood City, CA 94063.

The funding would be used to update a 0.3 mile stretch of road in North Fair Oaks to better connect the road to existing traffic patterns and update safety infrastructure. The project would fund a roadway configuration project consisting of one travel lane in each direction with a center two-way left-turn lane, install Class II buffered bicycle lanes, upgrade curb ramps to meet ADA standards, construct curb extensions, and install Rectangular Rapid Flashing Beacons at key crossings. This project is an appropriate use of taxpayer funds because the implementation of bicycle lanes, pedestrian safety enhancements, ADA accessibility upgrades, and safer roadway configurations will improve safety, accessibility, and connectivity for all who use the road.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. § 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Kevin Mullin  
Member of Congress (CA-15)
